

Battle AI Fraud with AI

The broken model:

Most fraud tools only check at checkout.

Leading to:

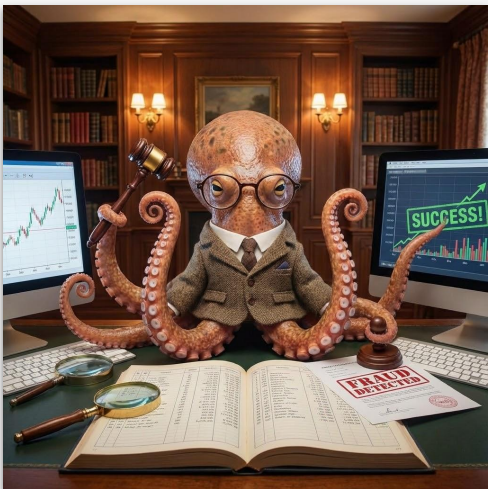

Promo & refund abuse, reseller fraud
Chargeback
Lost Margin

Alogram Solution:

Alogram analyzes the entire customer journey in real time and solves.

Real-time behavioral, identity, device, and transaction signals to detect fraud and abuse early

- + Recover margin
- + Prevent fraud
- + Reduce customer friction
- + Enterprise-grade security
- + **Built for Shopify merchants**
